6/6 The revised proposal is to charge rent proportionately to the number of bundles sold instead of uniformly per 81 as the present resolution may be sanctioned, it appears to be somewhat more remunerative in practice.

Copy of letter No 571/28-29 dated 28th May 1929 from the - President, Municipal Council, Chintamani, to the Deputy Commissioner, Kolar District

I have the honour to state that the present system of recovering rent at 0-4-0 per stall in the Beetle Leaves stall which is being leased out every year has given room for corplaints every now and then by the sellers

This was brought to the notice of the council meeting held on 27-5-29 and the council have resolved to change the rate to half a pie per bundle of 100 leaves and to give this into effect from the ear 1929-30

Accordingly the sale notification has been corrected and the same will be brought into effect from 1st July 1929 in anticipation of Government sanction, as there is no sufficient time to await Government sanction

I therefore request ou to be so good as to kindly recommend to Government early and obtain sanction

Copy of the resolution is herein enclosed
